Los Angeles, CA 90012-3328**

Dear Applicant

Thank you for your interest in our APA-approved pre-doctoral internship program. We offer broad-based outpatient clinical training with veterans and their families in a state-of-the-art healthcare facility. Please take some time to review our brochure. There we outline the many training opportunities available to you.

To be eligible for our program you must have completed at least three years of graduate training in an APA-approved clinical or counseling psychology program, and be a U.S. citizen. To complete your application, send the following items to us by November 15, 2006:

1. The completed APPIC Application for Psychology Internship (AAPI)
2. Make sure your essay for the APPIC Application, Section 2 GOALS/INTERESTS, #5 "How do you envision our internship site meeting your training goals and interests", is written specifically for the LAACC internship program.
3. Curriculum vitae
4. Three letters of recommendation
5. Official undergraduate and graduate transcripts
6. One comprehensive integrated functional/personality testing report (do not send a neuropsychological testing report). Please delete all identifying patient information.

Please send your application to:

Susan Steinberg, Ph.D.  
Director of Training, VA-LAACC  
Psychology Service (116B)  
351 E. Temple St.  
Los Angeles, CA 90012

After receiving your application we will review it and let you know by mid-December if we would like to meet with you for an interview.

We abide by the APPIC policy that no person at this training facility will solicit, accept, or use any ranking-related information from any intern. We also participate in the APPIC Internship Matching Program. To apply, please request an Applicant Agreement Package from National Matching Service and register for the Matching Program. Our program code number is 113911.

Again, thank you for your interest and we look forward to receiving your application.

Sincerely,

Susan Steinberg, Ph.D.  
Director of Training, VA-LAACC
